Emergencies

In a life- or limb-threatening emergency

1. Call 911 to reach New York City Emergency Medical Services.
2. Then call NYU Public Safety at (212) 998-2222 to report the emergency.

For urgent medical needs:

Call (212) 443-1000.

For urgent mental health needs:

Call the Wellness Exchange 24/7 hotline at (212) 443-9999.

or - call NYU Public Safety 24/7 at (212) 998-2222.

Sexual Assault

We strongly advise that you obtain help from a professional counselor as soon as possible. You don’t have to give your name if you prefer to remain anonymous.

Call the Wellness Exchange 24/7 hotline (212-443-9999). For more information, visit www.nyu.edu/health and click on the red Emergency link.

Dental Emergency Treatment

Call the NYU College of Dentistry Faculty Practice at (212) 443-1313 from Monday - Thursday from 8am - 8pm and Friday from 8am - 5pm. Other times, call the NYU College of Dentistry Kriser Center at (212) 998-9800, and press “1”.

Welcome to Student Healthcare and Student Health Insurance at New York University

New York University values the health of its students and is committed to offering all students access to quality healthcare and affordable student health insurance plans that will protect them against the financial hardships that may result from high healthcare expenses.

While most undergraduate and graduate college students are in good health and face few serious illnesses while in school, medical and psychological issues can arise at any time, sometimes without warning. There are also certain health concerns that may become apparent for the first time in early adulthood.

The high cost of healthcare in the United States presents a potentially serious financial risk to students. The absence of adequate insurance coverage can result in temporary or permanent interruption of your education; therefore NYU requires that all students registered in degree-granting programs maintain health insurance.

Most students are automatically enrolled in either the Basic Plan or the Comprehensive Plans as part of the course registration process, but have the option of upgrading or downgrading their coverage (see page 25). Students who maintain alternate health insurance coverage that meets the University’s waiver criteria may waive these plans entirely (see pages 29-30).

This guide has been prepared to help you understand the healthcare services available at the SHC; the benefits and levels of coverage the NYU-sponsored Health Insurance Plans offer; and how they work together.

Health Services for All Matriculated Students

Whether enrolled in an NYU-sponsored Student Health Insurance Plan or maintaining alternate health insurance coverage, ALL MATRICULATED NYU STUDENTS have access to comprehensive services at the Student Health Center (SHC), located at 726 Broadway (see pages 4-6).

The following services are available at the Student Health Center at no cost or very reduced cost:

• primary care and women's health office visits
• some commonly performed laboratory tests
• short-term counseling
• wellness and health education services
• starter doses of common medications

For more details about SHC services, visit the Student Health Center website at www.nyu.edu/health. See the Sample of Services Chart on pages 8-9 for a sample list of free and billable SHC services.

All matriculated students also have access to treatment of dental emergencies (sudden onset of bleeding, swelling, pain, etc.) at no cost. See the Emergencies section on the inside front cover of this brochure for more information.

Health and Wellness Services at NYU

Confidentiality

Your privacy is our priority. The New York University Student Health Center is legally and ethically obligated to protect every patient’s right to privacy.

Health records are strictly confidential and maintained in compliance with federal and New York State laws including the Health Insurance Portability and Accountability Act (HIPAA) and the Family Educational Rights and Privacy Act (FERPA).

SHC will not release medical information to anyone, including family, parents/ legal guardians, NYU faculty/staff, or outside agencies, without the written authorization of the patient, except for emergency situations or as required by law. In the case of a minor, the authorization of a parent or legal guardian is required to release medical records.

In a medical emergency, only relevant health information will be released to another healthcare provider.

Wellness Exchange

726 Broadway, Suite 402
(212) 443-9999
www.nyu.edu/999
wellness.exchange@nyu.edu

The Wellness Exchange is your key to accessing the University’s extensive health and mental health resources designed to address your needs.

You can call a private hotline (212-443-9999), available 24 hours a day, seven days a week, which will put you in touch with a professional who can help to address day-to-day challenges as well as other health-related concerns. These might include: medical issues, academic stress, depression, sexual assault, anxiety, alcohol and other drug dependence, sexually transmitted infections and eating disorders.

The hotline is also available if you just need to talk or want to call about a friend.
Student Health Center

726 Broadway, 3rd and 4th Floors
(212) 443-1000
www.nyu.edu/health
health.center@nyu.edu

NYU’s Student Health Center (SHC) is a campus resource and service center for all matriculated students. We offer hassle-free appointment-based and walk-in medical and counseling services at either no cost or very reduced cost to all NYU students, regardless of insurance coverage. Our goal is to add great value to the NYU experience for students and great comfort in knowing that a safety net for basic healthcare exists at NYU.

The SHC is accredited by the Accreditation Association for Ambulatory Health Care, placing it among the top university health centers in the country.

Whether your needs involve routine or acute medical care, counseling, education about a specific wellness issue, prescriptions, or eyewear, the staff at SHC is prepared to provide quality confidential, caring service.

We encourage you to make appointments whenever possible and carry your NYU card and health insurance ID card at all times.

Medical Services

* For more information about the pharmacy at SHC, see page 9.

Counseling and Wellness Services

(212) 998-4780
www.nyu.edu/counseling
wellness.exchange@nyu.edu

Counseling and Wellness Services (CWS) offer students short-term individual counseling, group counseling, self-improvement classes, referrals, and psychiatric medication assessment and management services. All services except psychiatric services are provided at no cost to students. (Psychiatric services are provided to students at a maximum out-of-pocket expense of $30 per visit.)

Students can receive help for all sorts of personal problems including depression, homesickness, stress, anxiety, alcohol or drugs, eating concerns, academic anxieties, roommate and friendship problems, family problems, suicidal thoughts, sexual concerns and identity concerns.

CWS counselors are psychologists, psychiatrists, social workers, nurse practitioners, and advanced trainees in those professions. There are male and female counselors, counselors from different racial and national backgrounds, and counselors who specialize in different mental health concerns.

Health Promotion Services

(212) 443-1234
www.nyu.edu/health/promotion
health.promotion@nyu.edu

The Health Promotion Office (HPO) at SHC produces dynamic educational programs, health information, peer training and campus events to enhance personal, academic and career success.

An accessible team of professional and student health educators design, deliver and evaluate diverse wellness programming, provide health consultations and serve as referral sources to additional support for vital student health issues. Health-related leadership programs are also available to enable students to discover and develop their health promotion and leadership skills.

Pharmacy Services

(212) 443-1050 | www.nyu.edu/health/pharmacy

The SHC Pharmacy is a full-service pharmacy open to the NYU community (students, faculty, and staff). We are staffed by three Registered Pharmacists and three Certified Pharmacy Technicians who are ready to help you with all your health care needs.

Services include:

- Pharmaceutical counseling
- Drug information and education
- A wide selection of pharmaceuticals (brand name and generic)
- Vitamins and over-the-counter medications

Many prescription insurance plans are accepted for your convenience.
Optometry Services

(212) 443-1260

Optometry Services offer contact lenses and a large selection of eyeglasses and sunglasses, including many designer frames.

Our vision care service is staffed by optometrists and opticians whose expertise ranges from:

- eye examinations
- vision correction
- treatment of eye disorders
- contact lens fittings
- assisting in choosing the right eyewear for your specific prescription and needs

If you already have a prescription for eyeglasses or contact lenses from your outside provider, you can bring in your prescription or have it faxed to (212) 443-1261.

Moses Center for Students with Disabilities

(212) 998-4980  |  www.nyu.edu/csd  |  mosescsd@nyu.edu

The Henry and Lucy Moses Center for Students with Disabilities (CSD) determines qualified disability status and assists students in obtaining appropriate accommodations and services. CSD operates according to an Independent Living Philosophy and strives in its policies and practices to empower each student to become as independent as possible. Our services are designed to encourage independence, backed by a strong system of supports.

Any student who needs a reasonable accommodation based on a qualified disability is required to register with the CSD for assistance.

Fees for Services

All matriculated NYU students have access to care at the Student Health Center (SHC), 726 Broadway, New York, NY whether they are enrolled in an NYU Student Health Insurance Plan or maintaining alternate health insurance coverage. Many services are provided at no cost such as:

- primary care and women’s health office visits*
- some commonly performed laboratory tests
- short-term counseling
- wellness and health education services
- starter doses of common medications

* There are fees for some procedures and laboratory tests that may be performed during these visits. There are also fees for evaluation and procedures performed by an SHC physician specialist.

See the Sample of Services Chart on pages 8-9 for a sample list of free and billable SHC services.

For services that are typically covered by insurance, NYU SHC will bill students’ health insurance plans.

- Students who maintain health insurance plans other than the NYU-sponsored plans must provide a copy of the front and back of their health insurance ID cards at the time of service in order for the bills to be sent to their health insurance carrier.
- If the insurance plan does not cover the service, or does not pay the entire bill, the student is sent a statement indicating the remaining unpaid balances. The insurance company’s reimbursement is a contractual agreement between the insured student and the insurance company. Any concerns about the reimbursement rate should be addressed between the insured student and insurance company.
- Students are responsible for any unpaid balances.
- Cash, personal check, Campus Cash, or credit card (MasterCard, Visa, Discover, or American Express) are acceptable methods of payment.
- All overdue accounts are transferred to the Bursar for collection. Uncollected accounts may bar students from registering for classes, graduating or receiving transcripts.

If you anticipate problems paying your portion of the SHC bill, please contact SHC Patient Accounts at +1 (212) 443-1010 or health.patientaccounts@nyu.edu.

IMPORTANT TO KNOW

- The NYU Student Health Center (SHC) is a preferred provider under the Student Health Insurance Plans but will be considered out-of-network under other plans which utilize the MagnaCare & MultiPlan networks.
- You may receive separate bills for laboratory services. The specimen or cultures collected during the medical visit may be sent to an outside laboratory where the actual test is performed. Please contact the entity identified at the top of the statement for any questions you may have regarding these charges.

This chart refers only to services provided at NYU Student Health Center. Students may be billed by SHC Patient Accounts for deductibles, co-pays, co-insurance and/or fees not covered by insurance. Students referred outside SHC for treatment and/or services will be billed separately by those outside providers.

1. Service fees waived for students enrolled in the NYU-sponsored GSHIP plan.

2. Laboratory tests other than those listed under “No Cost to All Matriculated Students” column will be billed by the outside lab. Routine screenings (e.g., sexually transmitted infection, cholesterol/PPD) not mandated as per Healthcare Reform Law may not be covered by your health insurance.

3. Specialty Care is subject to co-pays and co-insurance based on your health insurance coverage. If you are enrolled in one of the NYU-sponsored health plans your co-pay for specialty visits is $30 for the Basic and Comp Plans and $10 for the GSHIP Plan.
Student Health Insurance Plans Overview

The NYU-sponsored Student Health Insurance Program is designed to provide reasonably priced healthcare coverage to supplement the health services provided at the SHC. The plans provide coverage for medical treatment and procedures provided at the SHC for which there is a fee as well as worldwide coverage for medically necessary healthcare services.

All matriculated students are eligible for enrollment in the NYU-sponsored Student Health Insurance Program. See pages 33-34 for more information about dependents and other eligible enrollees.

The Student Health Insurance Program has three components:

• Mandatory Plan - The registration fee included on your tuition bill grants access to services at the Student Health Center as well as limited health insurance coverage for certain hospital emergency room services and mental health outpatient visits. See page 11 for more information.

• Optional Plans – The Basic Plan and Comprehensive Plan are designed to provide reasonably priced healthcare coverage.

• Graduate Student Health Insurance Plan (GSHIP) - GSHIP enrollees are specifically designated graduate students for whom the University has agreed to pay the student health insurance fee. Students cannot individually purchase this plan.

The Basic, Comprehensive and GSHIP Plans cover the same medical and mental health services. However, they have different:

• reimbursement levels,
• coverage limits, and
• out-of-pocket expenses

All plans offer coverage for services rendered by healthcare providers who participate in the MagnaCare and MultiPlan networks. Visit www.chpstudent.com/nyu to search for MagnaCare and MultiPlan providers. Out-of-network providers are also covered but at a lower reimbursement level.

See pages 12-19 for a Summary of Benefits

Please note: The NYU Student Health Center (SHC) is in-network under the Student Health Insurance Plans but will be considered out-of-network under all other plans which utilize the MagnaCare & MultiPlan networks.

HTH Health Insurance Program for Students Studying Abroad

New York University requires that students studying abroad as part of their educational program be covered under the NYU-sponsored study abroad health insurance plan administered by HTH Worldwide Insurance. The school-sponsored HTH program provides easy access to care and has five major components:

• Semester Long Programs (including Liberal Studies Freshman Abroad) *
• Short-Term Programs *
• NYU Abu Dhabi
• NYU Shanghai
• Tisch Asia.

* Students enrolled in these HTH plans are still required to maintain other health insurance coverage in their home countries.

Visit www.nyu.edu/health/HTH for more information.

Summary of Mandatory Plan Benefits

• Hospital emergency room treatment and follow-up care† at a maximum benefit of up to $2,500 per condition per policy year after a $100 per condition deductible for:
  • accidental injuries (not including sickness or dental);  
  • psychological emergencies; 
  • chemical and substance abuse emergencies; and
  • ambulance services for the above

• Mental health outpatient visits per year* (outside Counseling and Wellness Services at SHC) covered at 80% for MagnaCare or MultiPlan providers and 50% for out-of-network providers.

* Under the NYU-sponsored Student Health Insurance Program, the maximum number of covered mental health outpatient visits per policy year for the Mandatory, Basic, Comprehensive, and GSHIP Plans combined shall not exceed 30 visits for non-biologically based conditions.

† Students requiring follow-up care in Manhattan after emergency room treatment of accidental injuries must contact NYU Student Health Center Primary Care Services at (212) 443-1122 prior to treatment. Otherwise, follow-up treatment will not be covered by the insurance plan.

## OUTPATIENT BENEFITS

### Doctor's Visits

Most Primary Care office visits at SHC are provided at no charge. This is not an insured benefit but is provided by NYU to all matriculated students including students who waive the Student Health Insurance Plans.

**At SHC:**
- Specialists, 100% after a $30 per visit fee.

**Outside SHC:**
- In-Network Care: 80% of the allowable charge; $30 per visit copay; up to the out-of-pocket limit; 100% thereafter
- Out-of-Network Care: 50% of reasonable and customary charges; $60 per visit deductible up to the out-of-pocket limit; 100% thereafter

**At SHC:**
- Specialists, 100% after a $30 per visit fee for Comprehensive; $10 for GSHIP

**Outside SHC:**
- In-Network Care: 90% of the allowable charge; $30 per visit copay; up to the out-of-pocket limit; 100% thereafter
- Out-of-Network Care: 60% of reasonable and customary charges; $60 per visit deductible for Comp; $50 per visit deductible for GSHIP; up to the out-of-pocket limit, 100% thereafter

### Lab and X-ray

Some lab tests at SHC are provided at no charge. This is not an insured benefit but is provided by NYU to all matriculated students including students who waive the Student Health Insurance Plans.

**In-Network Care:**
- 80% of the allowable charge up to the out-of-pocket limit, 100% thereafter
- Out-of-Network Care: 50% of reasonable and customary charges up to the out-of-pocket limit, 100% thereafter

**Out-of-Network Care:**
- 80% of the reasonable and customary charges; $100 per visit copay; up to the out-of-pocket limit, 100% thereafter

### Preventive Services

Most Preventive Services are available and rendered at SHC will be provided at 100% with no cost sharing.

**At SHC:**
- Preventive Services available and rendered at SHC will be provided at 100% of Eligible Expenses with no cost-sharing.

**Outside SHC:**
- In-Network Care: Preventive services that are not available at SHC will be covered at 100% of Eligible Expenses with no cost-sharing.

### Allergy Testing and Shots

Some lab tests at SHC are provided at no charge. This is not an insured benefit but is provided by NYU to all matriculated students including students who waive the Student Health Insurance Plans.

**In-Network Care:**
- 80% of the allowable charge up to the out-of-pocket limit, 100% thereafter

**Out-of-Network Care:**
- 50% of reasonable and customary charges up to the out-of-pocket limit, 100% thereafter

### Physical/Occupational Therapy and Chiropractic Service

Most Physical/Occupational Therapy and Chiropractic Service are provided at a $30 per visit fee.

**At SHC:**
- 100% after a $30 per visit fee.

**Outside SHC:**
- In-Network Care: 80% of the allowable charge; $30 per visit copay; up to the out-of-pocket limit; 100% thereafter
- Out-of-Network Care: 50% of reasonable and customary charges; $60 per visit deductible up to the out-of-pocket limit; 100% thereafter

**Out-of-Network Care:**
- 80% of the reasonable and customary charges; $100 per visit copay; up to the out-of-pocket limit, 100% thereafter

**At SHC:**
- 100% after a $30 per visit fee for Comprehensive; $10 copay for GSHIP

**Outside SHC:**
- In-Network Care: 90% of the allowable charge; $30 per visit copay; up to the out-of-pocket limit, 100% thereafter
- Out-of-Network Care: 60% of reasonable and customary charges; $60 per visit deductible for Comp; $50 per visit deductible for GSHIP; up to the out-of-pocket limit, 100% thereafter

### Hospital Emergency Room

Most Hospital Emergency Room visits are provided at no charge. However, treatment plans must be authorized to continue treatment after the initial 12 visits.

**In-Network Care:**
- 80% of the allowable charge; $100 per visit copay; up to the out-of-pocket limit, 100% thereafter

**Out-of-Network Care:**
- 80% of the reasonable and customary charges; $100 per visit copay; up to the out-of-pocket limit, 100% thereafter

**Out-of-Network Care:**
- 90% of the allowable charge; $100 per visit copay; up to the out-of-pocket limit, 100% thereafter

Please note: Pre-certification is not required before beginning physical therapy treatment. However, treatment plans must be authorized to continue treatment after the initial 12 visits.

For a more complete description of plan benefits, general terms and conditions, referral requirements, etc., please review the 2013-2014 Student Health Insurance Handbook at www.nyu.edu/health/insurance.

| **MATERNITY** | | **In-Network Care:** 80% of the allowable charge up to the out-of-pocket limit, 100% thereafter |
| | | **Out-of-Network Care:** 50% of reasonable and customary charges up to the out-of-pocket limit, 100% thereafter |
| **Obstetric Services** | | **In-Network Care:** 90% of the allowable charge up to the out-of-pocket limit, 100% thereafter |
| | | **Out-of-Network Care:** 60% of reasonable and customary charges up to the out-of-pocket limit, 100% thereafter |
| | **Designated Care:** 100% of negotiated charge* up to the out-of-pocket limit |
| | | * For CPT Code 59400 and CPT Code 59510 (routine obstetric care for complete pregnancy including prenatal visits, vaginal or cesarean delivery and postpartum care). |
| | For a list of designated providers, please call Student Health Insurance Services at (212) 443-1020. |

| **Inpatient Room and Board For Maternity** | | **In-Network Care:** 80% of the allowable charge up to the out-of-pocket limit, 100% thereafter |
| | | **Out-of-Network Care:** 50% of reasonable and customary charges up to the out-of-pocket limit, 100% thereafter |
| | | **Designated Care:** At NYU Tisch Hospital, 100% of negotiated charge up to the out-of-pocket limit |

| **Termination of Pregnancy** | | **In-Network Care:** 80% of the allowable charge up to the out-of-pocket limit, 100% thereafter |
| | | **Out-of-Network Care:** 50% of reasonable and customary charges up to the out-of-pocket limit, 100% thereafter |
| | | Copays may apply. |

For a more complete description of plan benefits, general terms and conditions, referral requirements, etc., please review the 2013-2014 Student Health Insurance Handbook at www.nyu.edu/health/insurance.
### MENTAL HEALTH BENEFITS

**BASIC PLAN**

**Outpatient Mental Health (outside SHC)**
- **In-Network Care:** 80% of the allowable charge; up to the out-of-pocket limit, 100% thereafter
- **Out-of-Network Care:** 50% of reasonable and customary charges; up to the out-of-pocket limit, 100% thereafter

**Psychiatric Medication Assessment and Management**
- **At SHC:** 100% after a $20 per visit fee.
- **Outside SHC**
  - **In-Network Care:** 90% of the allowable charge, after visit 10*
  - **Out-of-Network Care:** 90% of the allowable charge, after visit 10*

**Inpatient Mental Health**
- **In-Network Care:** 80% of the negotiated charge up to the out-of-pocket limit, 100% thereafter
- **Out-of-Network Care:** 50% of reasonable and customary charges up to the out-of-pocket limit, 100% thereafter

**Benefit Maximum (In and Out-of-Network)**
- Biologically Based Conditions: Pay as any other Sickness
- Non-Biologically Based Conditions: A total of 30 visits will be paid between the Mandatory Plan and the Basic, Comprehensive or GSHIP plans.

**Designated Care:** 100% after a $35 fee. For a list of Designated Providers:

**COMPREHENSIVE PLAN/GSHIP**

**In-Network Care:** 90% of the allowable charge, after visit 10*

**Out-of-Network Care:** 60% of reasonable and customary charges, after visit 10*

*Visits 1-10 are paid under the Mandatory Plan (as described on page 11) at 80% for In-Network Providers and 50% for Out-of-Network Providers.

### CHEMICAL ABUSE AND DEPENDENCE

**Outpatient**
- **In-Network Care:** 100% of the allowable charge
- **Out-of-Network Care:** 100% of reasonable and customary charges

**Inpatient (Maximum 7 days)**
- **In-Network Care:** 80% of the allowable charge up to the out-of-pocket limit, 100% thereafter up to maximum
- **Out-of-Network Care:** 50% of reasonable and customary charges up to the out-of-pocket limit, 100% thereafter up to maximum

### PRESCRIPTION DRUGS

**Preferred Pharmacy:**
- $15 copay for generic drugs
- $40 copay for preferred brand name drugs
- $60 copay for non-preferred brand name drugs
- $20 copay for all diabetic supplies (insulin, syringes and testing supplies)

**Non-Preferred Pharmacy:** See the Student Health Insurance Handbook, available at [www.nyu.edu/health/insurance](http://www.nyu.edu/health/insurance).

**Prescription Drugs**
- Benefits are not payable for more than a 30-day supply per prescription or refill without prior authorization.
- Off-label prescription drugs for cancer treatment are included.

### INPATIENT MEDICAL

**Room & Board, Pre-Admission Testing, Non-Surgical Physician Visit, Other Hospital Services**
- **In-Network Care:** 80% of the allowable charge up to the out-of-pocket limit, 100% thereafter
- **Out-of-Network Care:** 50% of reasonable and customary charges up to the out-of-pocket limit, 100% thereafter

For a more complete description of plan benefits, general terms and conditions, referral requirements, etc., please review the 2013-2014 Student Health Insurance Handbook at [www.nyu.edu/health/insurance](http://www.nyu.edu/health/insurance).

</table>

For a more complete description of plan benefits, general terms and conditions, referral requirements, etc., please review the 2013-2014 Student Health Insurance Handbook at www.nyu.edu/health/insurance.
Referral Requirements

REFERRALS ARE REQUIRED FOR SERVICES IN MANHATTAN OUTSIDE SHC

Except for situations listed below, all students enrolled in a school sponsored health insurance plan in need of medical care in Manhattan are required to first seek treatment and be evaluated at the SHC. If the evaluation by the SHC provider determines that the services are not available at the SHC, an off-site referral will be issued. Covered services received in Manhattan without an appropriate referral will not be paid by the NYU plans. Any copays or coinsurance fees incurred will be the responsibility of the student, even if he/she has an appropriate referral.

SERVICES EXEMPT FROM REFERRAL REQUIREMENT

- Medical Emergency Treatment in a Hospital*
- Gynecological Care
- Laboratory Tests
- Maternity Care
- Mental Health and Substance Abuse Services
- Treatment for TMJ
- When Student Health Center is closed and will remain closed for at least 24 hours.

*Medical emergency refers to an unexpected, sudden onset of an acute illness or injury that is life or limb threatening and may permanently affect quality of life. Referrals from the Student Health Center are required for follow-up treatment after an emergency.

REFERRALS FOR SERVICES OUTSIDE MANHATTAN

Students may use any provider outside the borough of Manhattan without an off-site referral from SHC. Any copays or coinsurance fees incurred will be the responsibility of the student.

We encourage students to first seek services by an SHC provider who will be able to supervise and coordinate care with minimal out-of-pocket expense for medically necessary treatment. Students seeking care from providers outside the SHC should choose a provider who participates in the MagnaCare (NY/NJ area) or MultiPlan network to ensure maximum benefits and reduce out-of-pocket expenses. To find a MagnaCare (NY/NJ area) or MultiPlan provider, go to www.chpstudent.com/nyu or call (877) 373-1170 and a CHP representative will assist you in locating a participating provider.

REFERRAL LIMITATIONS

- The referral is only valid for treatment of a specific condition for the period of time stated on the referral.
- The referral may also limit the number of visits allowed within that time frame.
- The condition must be re-evaluated by the SHC healthcare provider once the limits of the referral have been reached.

Important:

Students must obtain required referrals from an SHC provider before they receive medical services outside the Student Health Center. Referrals requested after services are received are not permitted.

Pre-Certification Requirement

Pre-certification of coverage for services including, but not limited to:

- Inpatient admissions to a hospital, residential treatment facility, skilled nursing facility, and a facility established for the treatment of substance abuse;
- Outpatient surgeries requiring anesthesia; and
- Intensive outpatient programs for biologically-based mental illness.

If pre-certification is not secured, eligible expenses will be subject to a $500 per admission or outpatient service deductible. Please see the 2013-2014 Student Health Insurance Handbook at www.nyu.edu/health/insurance for more details.

Please note: Pre-certification is not required before beginning physical therapy treatment. However, treatment plans must be authorized to continue treatment after the initial 12 visits.

Please visit www.nyu.edu/health/insurance and click on FAQs on the navigation bar at the top of the page for more details about referral and pre-certification requirements.

Plan Exclusions and Limitations

Following are some of the plan exclusions. For a complete description, review the 2013-2014 Student Health Insurance Handbook at www.nyu.edu/health/insurance.

1. Illness, accident, treatment or medical condition arising out of:
   - war or act of war (whether declared or undeclared); participation in a felony, riot or insurrection; service in the Armed Forces or units auxiliary thereto;
   - aviation, other than as a fare-paying passenger on a scheduled or charter flight operated by a scheduled airline; and
   - interscholastic sports.

2. Most cosmetic surgery.

3. Foot care, in connection with corns, callouses, flat feet, fallen arches, weak feet, chronic foot strain or symptomatic complaints of the feet.

4. Dental care or treatment, except for such care or treatment due to accidental injury to sound natural teeth and except for dental care or treatment necessary due to congenital disease or anomaly.

5. Eyeglasses, hearing aids, and examination for the prescription or fitting thereof.

6. Rest cures, custodial care and transportation.

Some Medications Not Covered by the Prescription Drug Benefits:

- over-the-counter medications (except as specifically provided)
- drugs whose sole purpose is to promote or stimulate hair growth
- drugs for cosmetic purposes
- appetite suppressants
- fertility medications
- preventive medicines or vaccines, except as specifically provided
- non-self injectables (these are covered by the medical portion of the Plan)

Prior authorization is required for growth hormones and drugs for treatment of malaria.

**Insurance Payment Options**

NYU-sponsored Student Health Insurance Plans are annual policies. If students enroll in an NYU-sponsored plan before the September 30th fall deadline, they may choose from the following payment options:

A. **ANNUAL PAYMENT IN FULL at the time of fall registration**, with no insurance charge at spring registration.
   - Students will continue coverage through August 20th, even if they are not registered for spring classes. (However, they will not have access to services at the Student Health Center after January 8th for January graduates and after mid-May for May graduates.)
   - Students cannot get a partial refund of the spring/summer portion of the annual fee after the September 30th enrollment deadline.

B. **TWO INSTALLMENT PAYMENT PLAN (default plan)**: The first payment at the time of fall registration, and the second at spring registration. The spring fee is higher than the fall fee since it includes payment for coverage over the summer months.
   - Students will be automatically enrolled in the same plan and billed the spring/summer health insurance fee if, and only if, they are registered for classes or maintaining matriculation for the following spring semester.
   - Students who are not registered for classes or maintaining matriculation for spring will have their insurance coverage end on January 8th. See page 34 to review options for continuing coverage.

Whether payment option A or B is chosen: Students may not change plans until the beginning of the next academic year.

**Insurance Identification Cards**

Each student and dependent who is enrolled in the Basic, Comprehensive or GSHIP Plans will receive an insurance identification card at their permanent address within the United States. Instructions on how to access the complete plan brochure online will be included with the ID cards.

If your permanent address is outside the United States, please contact CHP at (877) 373-1170 or www.chpstudent.com/nyu and provide them with your local address.

If you do not receive the ID card within three weeks of the effective date of the policy or within three weeks of your request to enroll in the plan (whichever is later), please contact Consolidated Health Plans (CHP) at (877) 373-1170 or at www.chpstudent.com/nyu.

An online ID card can be obtained by going to the CHP web site shown above. Click the link for “Online ID Card.”
Enrolling in the Student Health Insurance Plans

Eligibility

Students are eligible to enroll in an NYU-sponsored Student Health Insurance Plan if they are:

• registered for one or more credits in a degree-granting program at NYU;
• maintaining matriculation (completing certain academic programs and not enrolled in classes);
• students with F-1 or J-1 visa status;
• on a leave of absence approved by their school’s dean’s office and were covered by a school-sponsored plan during the previous semester;
• post-doctoral research trainees/fellows, paid by NYU on stipends (code 542) or paid directly by external sponsors;
• dependents of an insured (spouse/domestic partner and children up until age 26).

Students are eligible to continue their coverage under a school-sponsored plan for a maximum period of 6 months after graduation.

Automatic Enrollment

Most students are automatically enrolled in either the Basic Plan or the Comprehensive Plan as part of the course registration process. Students should check the Automatic Enrollment Guide (see pages 27-28 to determine if they will be automatically enrolled).

Students who are automatically enrolled in a plan and wish to change to a different plan may do so by completing the online enrollment process at www.nyu.edu/health/insurance before the appropriate deadline (see page 25). Their tuition bills will be adjusted accordingly. Students who maintain alternate health insurance coverage that meets the University’s waiver criteria may waive the plan entirely (see pages 29-30).

Please note: Adding or dropping courses during the registration period may affect a student’s enrollment in a school-sponsored insurance plan. Completing the online enrollment process by the appropriate semester deadline (see page 25) ensures that coverage remains in effect throughout the academic year.

Graduate Assistants, Research Assistants, Teaching Assistants or specifically designated fully-funded graduate students for whom the University has agreed to pay the student health insurance fee, will be automatically enrolled in the Graduate Student Health Insurance Plan (GSHIP). A Basic or Comprehensive Plan insurance fee may initially appear on the student’s tuition bill, but will be cancelled when the program administrator notifies Student Health Insurance Services of the student’s GSHIP eligibility.

Voluntary Enrollment

Students registered for classes or maintaining matriculation but not automatically enrolled have the option to choose a plan before the appropriate semester deadline (see below) by completing the online enrollment process at www.nyu.edu/health/insurance. (See Automatic Enrollment Guide on pages 27-28).

Effective Dates of Coverage

Fall 2013 ...........................................August 21, 2013 - January 8, 2014

How to Enroll

Students should evaluate their options by reviewing the benefits, referral requirements and exclusions of the Student Health Insurance Plans (see pages 12-21). Students should have their Student ID numbers (shown on the admissions letter or on the back of the NYU ID card) handy before accessing the online system during the following enrollment periods.

GO TO WWW.NYU.EDU/HEALTH/INSURANCE
• Click on the box that indicates, “Click here to enroll in or waive the Student Health Insurance Plans.” Read the general information and follow the instructions for enrolling.
• At the end of the process, you must confirm your enrollment selection in order for your request to be processed.
• Print the Confirmation of Status letter. A confirmation will also be sent to the e-mail address provided.

Enrollment Deadlines

If your first semester of the academic year is The online enrollment system becomes available: The SEMESTER DEADLINE for enrolling in the NYU Plans is:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Date</th>
<th>Date</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall 2013</td>
<td>June 25</td>
<td>September 30</td>
<td></td>
</tr>
<tr>
<td>Spring 2014</td>
<td>November 12</td>
<td>February 10</td>
<td></td>
</tr>
<tr>
<td>Summer 2014</td>
<td>April 1</td>
<td>June 5</td>
<td></td>
</tr>
</tbody>
</table>
Important Enrollment Rules (for Matriculated Students)

- If the online enrollment process is not completed by the deadline, the plan in which the student is enrolled automatically will be in effect for all or any remaining part of the academic year. **There will be no option to upgrade or downgrade the level of coverage until fall of the next academic year.**

- Students who were billed the **fall semester only** health insurance fee at the time of fall registration:
  - will be automatically enrolled in the same plan and billed the spring/summer health insurance fee if, and only if, they are registered for classes or maintaining matriculation for the following spring semester.
  - will have their insurance coverage end on January 8th if they are not registered for classes or maintaining matriculation for the spring semester. See Voluntary Enrollment to review options for continuing coverage beyond January 8th.

- Students who were billed the **annual** health insurance fee at the time of fall registration:
  - will continue coverage through August 20th, **even if they are not registered for spring classes.** (However, they will not have access to services at the Student Health Center after January 8th for January graduates and after mid-May for May graduates.)
  - **cannot get a partial refund of the spring/summer portion of the annual fee after the September 30th enrollment deadline.**

- Enrollment will only be processed by SHC Student Health Insurance Services. No school or other unit can enroll a student in the insurance plan.

---

**JANUARY GRADUATES**
(and other Students Not Matriculating for Spring 2014)

Choosing the annual option will guarantee that your coverage will remain in effect during the entire policy year, even though you will not be enrolled for classes during Spring 2014. Coverage at the student rate is much less expensive than coverage at the Continuation Option rate. Please note: You will not have access to services at the Student Health Center after January 8th, and therefore no referral will be required for services outside SHC.

Automatic Enrollment Guide (continued)

**Summer 2014**

The rules for Summer 2014 automatic enrollment differ from the rules for Fall 2013/Spring 2014.

Students in a degree-granting program who register for at least (1) credit during the summer will be enrolled automatically in and charged for an NYU-sponsored Student Health Insurance Plan unless:

a) they were enrolled and charged the previous term for spring/summer coverage, or
b) they waived the NYU plans before the summer deadline.

**Voluntary Enrollment**

If you are eligible for coverage in an NYU-sponsored Student Health Insurance Plan, but are not enrolled automatically, you have the option to choose a plan before the enrollment deadline. You may do so by completing the online enrollment process as described on page 25.

**Waiving the Student Health Insurance Plans**

If you maintain other insurance coverage that meets the University’s requirements including coverage for inpatient and outpatient medical and mental health services equal to or greater than those of the Basic Plan, you may choose to waive the NYU-sponsored Student Health Insurance Plans by the semester deadline. See pages 29-30 for waiver process details.

### Important Note for Students Enrolled in an NYU Plan for the Fall semester

- If you are registered for classes for Spring 2014 you will be enrolled in the same plan and billed the appropriate Spring/Summer 2014 insurance fee, regardless of your credit load.
- If you chose the two-payment option and are not registered for classes or paying a maintaining matriculation fee for Spring 2014, you cannot be billed for an NYU plan. Your coverage will end on January 8th.

### Waiving the Student Health Insurance Plans

Students who maintain other insurance coverage that is equal to or greater than that of the Basic Plan may choose to waive the NYU-sponsored plans by the appropriate deadline (see page 30).

### WAIVER CRITERIA APPLICABLE TO ALL STUDENTS (Except F-1 and J-1 Visa Holders)

University waiver criteria include:

1. The insurance company must be headquartered and operating in the U.S., with a U.S. claims address and customer service telephone number. (LS Freshman Abroad students, see below.*)

2. The insurance coverage must remain in effect from:

3. The plan must provide inpatient hospitalization benefits in the New York City area including mental health benefits.

4. The plan must provide outpatient benefits in the New York City area (including office visits, outpatient mental health benefits and laboratory and radiology procedures). Coverage limited to emergency care does not satisfy the requirement.

5. The maximum benefit payable under the insurance plan must be at least US$500,000 per condition.

* For students in the LS Freshman Abroad program, their insurance company or government-issued health plan must be headquartered in their home country.

### WAIVER CRITERIA APPLICABLE TO F-1 AND J-1 VISA HOLDERS

Please see pages 31-32.
How to Waive Online

Students should have their Student ID numbers (shown on the admissions letter or on the back of the NYU ID card) handy before accessing the online system during the enrollment periods shown below.

GO TO WWW.NYU.EDU/HEALTH/INSURANCE
- Click on the box that indicates, “Click Here to enroll in or waive the Student Health Insurance Plans.” Read the general information and follow the instructions for waiving.
- At the end of the process, you must confirm your waiver information in order for your request to be processed.
- Print the Confirmation of Status letter. A confirmation will also be sent to the e-mail address provided.

To review the online waiver process in advance, visit the “How to Waive Insurance” tutorial available at www.nyu.edu/health/insurance.

Important Waiver Rules

- Students who successfully waived in the fall will have their waivers automatically remain in effect for the following spring and summer semesters. However, they must repeat the waiver process again at the start of each academic year beginning in the fall.
- Once the waiver process is completed, the waiver will apply as of the effective date of insurance for the term. (Example: Students who submit waivers on September 15th will not be covered for any services that were rendered on or after August 21st of that year.)
- Waiver will only be processed by SHC Student Health Insurance Services. No school or other unit can waive students from the Insurance plan.

If you waive the NYU-sponsored plans and then find yourself without insurance due to divorce, loss of employment, termination of coverage due to age, or similar reason, you may be eligible to enroll in an NYU-sponsored plan by submitting a Petition to Change Form to SHC Student Health Insurance Services. You will be required to pay the premium for the entire semester, regardless of when you enroll.

Supplemental Information

International Students in F-1 or J-1 Status

Health insurance is required by the University and is a necessity in the United States because of the very high cost of healthcare. When you are registered for classes, you will be charged automatically for the NYU-sponsored Comprehensive Plan. You will remain enrolled in that plan unless you complete the online enrollment/waiver process at www.nyu.edu/health/insurance before the semester deadline.

Students have an option to:
- Waive the NYU-sponsored plans if you maintain other insurance coverage that meets the University’s criteria described below, or
- Downgrade your coverage to the Basic Plan. (Students may only opt to downgrade coverage when first registering for the academic year.)

UNIVERSITY CRITERIA FOR WAIVING THE NYU-SPONSORED STUDENT HEALTH INSURANCE PLANS

If you maintain other insurance coverage that is equal to or greater than that of the Basic Plan, you may choose to waive the NYU-sponsored plans.

To avoid being obligated to pay for two health insurance plans, please do not purchase another health insurance plan before it is approved. Your waiver will not be processed until Student Health Insurance Services confirms that your insurance plan meets the University’s requirements.

Some examples of comparable coverage include:
1. The insurance company must be headquartered and operating in the US, with a US claims address, and customer service telephone number.
2. The insurance coverage must remain in effect from:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Insurance Effective Dates</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall</td>
<td>August 21st through August 20th of the following year.</td>
</tr>
<tr>
<td>Spring</td>
<td>January 9th through August 20th of the following year.</td>
</tr>
<tr>
<td>Summer</td>
<td>May 14th through August 20th of the following year.</td>
</tr>
</tbody>
</table>

3. The plan must provide inpatient hospitalization benefits in the New York City area including mental health benefits.
4. The plan must provide outpatient benefits in the New York City area (including office visits, outpatient mental health visits and laboratory and radiology procedures). Coverage for emergency only care does not satisfy the requirement.
5. The maximum benefit payable under the insurance plan must be at least US$500,000 per condition. The insurance plan must include coverage for medical evacuation of at least US$1,500 per year; repatriation of remains of at least US$7,500 per year; and a deductible not to exceed US$500 per year.

The following types of insurance plans will not be acceptable for waiving the NYU plans:
- Travel policies with limited benefits and exclusions of coverage important for a college population.
- Insurance plans that always require students to pay for treatment out-of-pocket and then be reimbursed.
Graduate Student Health Insurance Plan (GSHIP)

Graduate Assistants, Research Assistants, Teaching Assistants or specifically designated fully-funded graduate students for whom the University has agreed to pay the student health insurance fee, will be automatically enrolled in the Graduate Student Health Insurance Plan (GSHIP). A Basic or Comprehensive Plan insurance fee may initially appear on the student’s tuition bill, but will be cancelled when the program administrator notifies Student Health Insurance Services of the student’s GSHIP eligibility.

Post-Doctoral Research Trainees and Fellows paid by NYU on stipends [code 542], or paid directly by external sponsors, will be automatically enrolled in the Graduate Student Health Insurance Plan. They may waive the GSHIP fees if they maintain health insurance coverage in an alternate plan which meets the University’s requirements. Waiver forms and dependent enrollment forms are available through the University department of appointment. These forms must be submitted by the appropriate semester deadlines (see pages 25 & 30).

International Students in F-1 or J-1 Status (continued)

Waiver Process for F-1 and J-1 Visa Status

After completing the online waiver process at www.nyu.edu/health/insurance, you must submit insurance plan documentation to Student Health Insurance Services for review. Plan documentation must include:

1. A copy of your insurance ID card, and
2. A copy of your insurance policy, in English, indicating:
   - The date that insurance coverage begins and terminates
   - Any deductibles, copayments and other out-of-pocket expenses
   - Plan benefits
   - Exclusions

(Your plan may not be accepted based on the information provided.)

Documentation may be submitted:

- In-person or by mail:
  NYU Student Health Insurance Services
  726 Broadway, Suite 346
  New York, NY 10003
- By Fax: (212) 443-1011
- By email: health.insurance@nyu.edu

If your waiver is approved, the Bursar will be notified to remove the insurance fee from your account.

Dependents

Eligibility

Eligible dependents are:

a) the covered student’s spouse or domestic partner; and/or
b) the covered student’s child under the age of 26 years.

How to Enroll

To enroll eligible dependents, insured students may complete the online enrollment application and make payment at www.chpstudent.com/nyu by clicking on the Dependent Enrollment link from the menu on the left side of the webpage by the appropriate deadline (see page 25).

- Dependent enrollment must be completed separately from the student’s online enrollment process.
- Dependents must enroll for the same time period as the covered student unless there is a qualifying life event.
- Dependents will not have access to services at the Student Health Center. Therefore, referrals are not required for any services outside SHC.

Payment Options

Students enrolling dependents in an NYU plan before the fall term deadline may choose an installment payment option. For students choosing this option:

- The policy coverage is annual and the spring term payment is required in order for coverage to be effective and continuous through August 20, 2014.
- Students will receive a 30-day notice before their fall coverage ends with a request for payment for the spring term coverage.
- Students must send the appropriate payment for the spring term by January 8th in order to continue dependent coverage beyond January 8th.

Leave of Absence

Eligibility

Students on a leave of absence approved by their school’s dean’s office and who were covered by the Basic, Comprehensive, or GSHIP plans during the previous semester may continue their enrollment for up to a 12-month period.

How to Enroll

Students may apply and make payment online at www.chpstudent.com/nyu by clicking on the Leave of Absence Enrollment link from the menu on the left side of the webpage by the appropriate semester deadline: September 30 for the fall semester and February 10th for the spring semester. The application will not be processed until a copy of the official letter of approval from the dean’s office is faxed to Consolidated Health Plans at +1 (413) 214-6482.

Leave of absence students will not have access to services at the Student Health Center. Therefore, referrals are not required for any services outside SHC.
Students are eligible to continue their coverage under the Basic, Comprehensive, or GSHIP plans for a period of approximately 1-month, 3-months or 6-months after graduation or upon leaving the University. They may apply and make payment online at www.chpstudent.com/nyu by clicking on the Continuation Option link from the menu on the left side of the webpage. Continuation Option rates are available at www.nyu.edu/health/rates.

- Applications received after the deadlines below will not be accepted.
  - August 31st for students who are not returning to the University for the fall semester, and
  - January 15th for students who are not returning to the University for the spring semester.
- Students will be unable to extend or reduce the coverage period after the initially selected period ends.
- Continuation Option enrollees will not have access to services at the Student Health Center. Therefore, referrals are not required for any services outside SHC.

NYU Employee Waivers

Students who are also employed by NYU and are eligible for health insurance benefits as part of their employment (no later than the semester waiver deadline) will be waived automatically from the NYU-sponsored Student Health Insurance Plans. Those who choose to be enrolled in a student plan should follow the voluntary enrollment process outlined on (see page 25).

NYU School of Medicine and NYU Medical Center employees will not be waived automatically from the NYU-sponsored Student Health Insurance Plans. They must follow the online waiver process (see page 30).

Stu-Dent Dental Health Program

The Stu-Dent Plan is a prepaid dental plan that offers high quality, low-cost dental care to NYU students, with convenient appointment times to accommodate busy schedules. Services are provided by graduating DDS and hygiene students overseen by licensed dental faculty members in a convenient location adjacent to the NYU Student Health Center on the 3rd floor of 726 Broadway.

As a Stu-Dent plan member, you receive two annual check-ups and two cleanings, X-rays, and as many fillings and sealants as you may need for one low enrollment fee of $235. You will also receive a 20% discount on most dental services not included in the plan. See page 22 for dependent and renewal rates.

How to Enroll - From June 25 - September 30, you can enroll in the Stu-Dent plan online as part of the Student Health Insurance online enrollment/waiver process. Please be sure to check the box for Stu-Dent enrollment (automatic enrollment in the health insurance plan does not automatically enroll you in Stu-Dent). You may also enroll directly at the Stu-Dent Website, www.nyu.edu/dental/stu-dent.html.

For more information about the Stu-Dent plan fees or to enroll after September 30, call (212) 443-1313.

Please note: The Dental Faculty Practice and the Stu-Dent program are not part of the NYU Student Health Center or the NYU-sponsored Student Health Insurance Plans and bill separately from the SHC.
